We welcomed our first child, Sarah Noelle. 6 lbs. 15 oz. Praise God! She is strong and amazes us every day.

October 2012. Thank you, partners! For the first time in history, the remaining languages without Scripture fell below 2000. That is fewer than the number of languages that have Scripture translation in progress!

Please pray for us in upcoming months that God would increase our partnership team so that Eric can work full-time with his software team in Dallas as soon as possible. Our current Wycliffe ministry budget is double what was needed in Tanzania, so additional financial partnership is needed before Eric can return to developing software aiding hundreds of Bible Translation projects. Until then, our primary job is finding more partners in prayer and giving.

We are so blessed by God's daily provisions through our partners and trust He will continue to provide not just for us, but also for those who still need God's Word! Please contact us if you'd like to become a financial partner with us. We are grateful for each gift we receive! Thank you for your love and friendship, Eric and Allison

We entertained and enlightened a group of potential Wycliffe Bible Translators with our Tanzania field report.

This picture shows Allison demonstrating how she used the software that Eric developed for her work in Tanzania.

We celebrated the publication of the Gospel of Luke and the book of Ruth in the Jita language.

Allison worked directly with the Jita translators to see Luke and Ruth published before we departed for the U.S. at the end of October. Praise God!
